PETITIONING THE COURT

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 06/04/2021, and 07/27/2021.

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

7

Special Condition #9: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Estrada is alleged to have violated special condition number 9, by consuming a controlled substance, methamphetamine on September 6, 2021.

On July 19, 2019, the offender's conditions were reviewed and he signed said conditions acknowledging an understanding of his requirements. Specifically, he was made aware by the U.S. probation officer that he must abstain from the use of illegal controlled substances.

On September 7, 2021, Mr. Estrada reported to Merit Resource Services and submitted a urinalysis sample that returned presumptive positive for methamphetamine. On September 8, 2021, Mr. Estrada called this officer and admitted to consuming methamphetamine on September 6, 2021.
